アンリアル・サンシャイン
UNREAL SUNSHINE

Uhhh, so this is "Unreal Sunshine." It's practically bursting at the seams with youthful idiocy (and I mean that in several ways) so read with caution. It's kind of passionate, but that's about it... I remember I wanted to write a oneshot with a slightly open ending using things from my life as the theme, including the convenience store setting. I used to work part-time at one such store.
As you can plainly see, this oneshot was a complete failure! (Haha!)
This was made for a slightly adult magazine, but please don't be too hard on me for this!
Ahh, it's so embarrassing having this reprinted!
I still think Juri's pretty cute though. (Haha)
By the way, the title is similar to "Unreal Sundown," which was published before this... but there's not really any reason or connection.

In any case, although I said so before as well, the editors of Dragon Age are something to be feared... You wouldn't be reading this now if it hadn't been for them.

My name is Fujinami. My dream is to be a comedian... but for now,
I work in this convenience store.
Welcome...
It's in the middle of a business district... So when it gets late, there are very few customers.
As such, I have almost nothing to do until morning.
HMPH!
HMPH!
Thank you, come again.
And well,
there goes the last office lady.

Hm?
Now it's free time...
Whoa!
Heya!
How's it goin' Fuji...!!
WHAT ARE YOU DOIN' OVER THERE!?
Hi...
Hmhmhm... Oh baby.
Nothin' like makin' noise in the middle of the night...

Keepin' it real?
Come up with any new jokes?
Not that I'm going to tell you...
It'd prob'ly suck anyway!
Get the hell out of here!!
This is Aigata... He comes here almost every day.
He's been bothering me since we were in junior high... But!
Don't touch me!!
Awww c'mon don't be like that
Hey, can I lick the grease from under the hot food stand?
He always comes for something far more disgusting!!
He's not actually here for me...
おでん
Ahh!
No...
Fujinami... You son of a bitch!!

THERE'S NO MORE EXPIRED FOOD!!
Please just leave...
I'm begging you.
YOU THREW IT OUT, DIDN'T YOU!?
じだじだ
It's really pathetic... You used to be called the demon of Haru Junior High... and now you won't even give your best friend food in his time of need.

BACK IN JUNIOR HIGH
Hey, you're homeless. Don't feel bad for me.
IF ANYTHING, I FEEL BAD FOR YOU.
Hey, I'm not homeless.
I'm a nomad... A wanderer.
MY CAR NEEDS ME TO LOOK AFTER IT BECAUSE IT COULD BREAK DOWN ANYTIME. MY LOVE FOR MY CAR HAS REACHED ITS FINAL STAGE. SO IN OTHER WORDS I'M A SUPREME BEING. IT'S TRUE I HAVE NO MONEY, BUT MY SPIRIT IS ALL I NEED..
He... doesn't even know what he's saying.
Nnngh, it's so cold.
But... that's only because I want to spend a lot of quality time with it!!
It's true though... I do live in my car.

*Jacket: Living life without family

It's just a fantasy.
Hmph... That's not a dream.
Then I'll just drive... until we're one with the earth.
And... my dream is that one day, I'll go to the deserts of America.
Dreams...
are something within reach.
They're something you can work towards.
That's...
Oh, there it is.
My dreams have come true!!
Dammit, what a buzzkill.
What made him change like this?
A HORSE TRACK NEWS-LETTER!
You'll never be a comedian if you can't take a joke!!
Seriously man!! You're too freakin' serious!!
YOU'RE GONNA KILL ME ONE DAY!!
SAY THAT AGAIN!
I'LL KILL YOU NOW!!

.....
Oh, she's here again!! She's so hot!
Well... that's for sure. Still, I can't help but wonder what she's here for...
She's always writing something.
LOOK, SEE?
Hmph...
What...!? You're kidding!
I'm going to do it today...
Why don't you just ask her?

Hey baby. You don't belong here...
Why don't you come for a ride with me?
This is my plan...
He's gonna pro-pose...!?
What...?
INSIDE HIS CAR
YOUR CAR'S FULL OF EMPTY CANS!!
That'll never work!
That's too simple!
I'll do it!!
Hahaha, yeah, I know it only drives one way
Wow! Your car is so manly!
Wahh! I fell down!
AH!

Oh...
You dropped this.
.....!!
He's expressing himself through dance...!?

Hunh?
What's that in your hand?
Wow... It wasn't much, but she talked to me.
She smelled good
I just wanted to see what was inside...
SO? WHAT'S IN IT? POEMS?
HARU BANK ATTACK PLAN
JUN SAOTOME
DAMMIT!
Give it back!!
I stole her notebook.
Oh my God...
This is...
Guards A and B's schedule is as follows. B leaves through the emergency exit, so we can shoot him then. Using his ID card, we can get into the bank, kill A, then release the lock to the vault and carry the money out as a team. In order to leave no shreds of evidence, I think it would be best to blow up everything. -Jun
So? So? What's it say?
I knew you couldn't resist, Fuji!

チャ…
You saw everything...
Which leaves me with no choice.
I'm going to have to kill you...
Wha...!?
TRY ME!
Is this gun a joke!?
Wait a second -
Oh no, Fuji! She's gonna shoot you in the head! Then she'll find out you have no brain!

It's a laser gun!!
I got this from my old master.
I can see your surprise...
...She seems dangerous... In more ways than one...
In order to stop that, I, the prophesied warrior, must destroy the fortress of evil... Haru Bank!!
According to the prophesy, in July of 1999, a series of disasters will occur on this planet. A massive earthquake, a meteorite collision, and the eruption of Mt. Fuji... And finally, the negative energy within the hearts of the devastated people will resurrect the legendary golden dragon of the underworld... And that will destroy the world once and for all!!
I have only one order from my master...
1999? That was a while ago
Are you impressed?
You're beautiful! You're better than this!
!?
!?
Why are you doing this...?
DAMN IT!
Back me up here, Aigata...

DIE!
Y... You idiot.
I think your plan's perfect!
Really?
You stabbed me in the back... Or conked me on the head...
Sorry, Fuji... But I've finally
Found my dream !!

PYRAMID SCHEME
Wha...!? Whoa... It's flaw-less...!
and we'll live happily ever after!!
Until we're one with the earth.
Behold the beauty.
Wow.
We'll make an American branch of her cult...
There's only...
COUGH...
You're both... idiots.
Agh!
THE
HELL!
What...
One thing I can do...

WAIT....!?
!!
It exploded..!?
No, wait, of course not! The bank exploded!!
D-did I do that..?
Th-That's incredible Fuji! You're so serious and unfunny.. you could take over the world!
!?

They're not with her...
That coulda been bad.

We could... chase 'em in my car!!
AS LONG AS THEY DON'T TURN I KNOW WE CAN CATCH 'EM!
Look! They're gettin' away...
Hey, get up!
...She's out cold.
C'mon Fuji, if we catch 'em...
It could be your chance at the big time!
Don't be stupid!
!?
青年お手柄
We need to get her to the hospital...
Oh, you're right!!
This girl's more important than that...

Can I have her bra at least?
Oh, sorry, Officer...

She didn't seem to have any connection to that group we saw...
They got very mad at us.

Of course she didn't... She left to go train in other lands.
